

The exchange offers a side of the market a sportsbook cannot

709,126 fills across 509 games. Takers pay for immediacy and gain no edge; makers are paid for supplying it. At a bookmaker only one of these roles exists.

why_sports.log · CAUTION: each realized figure is individually n.s. with game clustering (se ~7pp over 509 games). What is measured precisely is the WEDGE - spread plus fee - not a profit opportunity. Read the red line, not the bars.
